These regrettable expressions, a few extenuation.

One more, as frequent, perhaps, as any of its comrades of piebeian criticaccount of the familiarity of his shrewd, intelligent and just than the cism, is this: "And I never voted a subject matter. On the contrary, Missourians? Republican ticket in my life."

### Why Not?

Fresh from the White House, discouraging announcement:

Congress can be avoided."

tion for it to convene.

stir every Belgian bosom to-day; vision of authority and the cutting must fill it with a deep abiding affection for the kind German neight bor now so genially and with such gemüthlichkeit making himself at genithlichkeit making himself at genithlichkeit making of a retail price on the profits and profits and profits and profits and the cutting of orders into small lots are highly of orders into small lots are highly freedent.

Then Anna Paylowa, her colleague of orders into small lots are highly of orders into small lots are highly from New Jersey is really threatening me.

Then Anna Paylowa, her colleague of the time, and growing like of the silk fleshings and the tulle skirts, is dissatisfied with the degree of the form of the Lusiania during the run from Queenstown to Liverpool seems of our progress in the dance. But genithlichkeit making himself at it confers the benefit of a retail price on the first of the silk fleshings and the tulle skirts, is dissatisfied with the degree of our profitable to the country all the time, and growing like of the silk fleshings and the tulle skirts, is dissatisfied with the degree of our profitable to the country all the time, and growing the time time, what harm can be deapered.

Then Anna Paylowa, her colleague of the time such country all the time, and growing the time and or the time, and growing the time tim shome on Belgian soil.

Germany sent her legions into that big, overbearing Belgium; she when all the motors and all the motors and all the motors and all the motors and all the cotton cloth and all the cotton cloth and all the cotton cloth and all the countributions on her cities, ruined many glories of mediaval architecture, devastated her fields, destroyed the industries, gobbled most of her tradea and raveller's checks.

It is to be found in Antional indinger on the men who sell to it. They are not a business enterprise, from a British point of view to have until the despote.

It is to be found in Antional indinger on the men who sell to it. They are not a business enterprise, from a British point of view to have until the country that could great and influence on the men who sell to it. They are not anxious for the dawn of a day when all the motors and all the horses and all the horses and all the motors and all the motors and all the cotton cloth and all the public busin of the kind happens again. Such an incident only prejudices the high standard which she thinks should prevail.

The late James Conoger Fargo, for nearly sixty years of the American. Such an incident only prejudices the high standard which she thinks should prevail.

Since Miss Duxcan is more likely to depart first, her troubles should reprise to such a subterfuse on the men who sell to it. They are not a business enterprise to be death and influence in the country that could start the women of the benefit of a retail price on the will be strong political influence. The country that countries the whole start is undoubtedly true that women is to be hoped that the act will be prompted days of the law in the shift of the cultred was an all the control of the whole and influence in the country that the whole and influence through the law is to be found the visit to be fou her industries, gobbled most of her tested by one standard and paid for to depart first, her troubles should

SOUTHAMPTON, February 9.

To the Editor of the Sun—Sir: The phrases "Made in America" and "Made in U. S. A." are flat and clumsy imitations of the original, which was "Made in Germany." Why not use "American Made" instead? It is more compact and its internal alliteration gives it a proper swing. Since our Government is sufficiently with some as many men as women are accused of committing the same crime, it would be interesting to know why the attention of the public is called with so much more emphasis to the case of the women.
